Shi Mei (shoot-from-behind)

Other Names	Shi Mingjing
Setting	
Facecast	

Shi Mei is an instance of the **Shi Mei template** [Wiki] written by argona, based on the character from Dumb Husky And His White Cat Shizun (2ha). This Shi Mei (shoot-from-behind) is iterated into a Beauty and the Beast AU in the roles of both the Enchantress and Gaston.

History

[...]

Appearances

it's a nightmare but it's one exciting ride - a jealous Shi Mei enchants Mo Ran into a beast and traps him in an abandoned palace, telling everyone in the village that Mo Ran was killed by a monster. He looks after Chu Wanning through illness and grief, before courting him openly.
