Burning Ruby Tiger Decima (colors-bleed-and-blend)

Burning Ruby Tiger Decima (colors-bleed-and-blend) is a glowfic character in the Ruby (Decima) template, written by Decima. She's usually called Ruby, and she's the founding member of her template.

She was originally made for and introduced in *fearfully and wonderfully made*, a glowfic set in Cognoscente by Decima and Diaeresis (with a cameo from ChaosMagic). (Though see the index for murder girlfriends for reading related to this thread and prerequisites for its sequels.)

Cluster: Buzz. Buzz-cluster Rubies are a later version of the template. They're fun-loving, silly, and promiscuous. They generally fall in love pretty easily.

Facecast: Aja Bair

Monster form: A tiger, optionally made of smoke and flame.

Screen name origin: "Crystals" by Of Monsters and Men
