Rahadoum

https://map.pathfinderwiki.com/#bbox=-28.27602384,25.05146992,-16.59434291,30.23150949zoom=7&embedded=true

Rahadoum, instead of having been an atheist state for thousands and thousands of years, is another recent breakaway state from Cheliax during the Chelish Civil War (the anti-theism makes more sense when there was briefly an *Asmodean* government in power). Cheliax intends to try to retake it; Rahadoum for its part wants to retake the province of Kharijite but doesn't realistically have the forces to do this.
