Yggdrasil

Yggdrasil	
World	
Name	Yggdrasil
Source Canon	Thor / MCU
Continuity	Effulgence
Afterlife	Downside
Population	
Planets	Earth
Sapient Species	• Humans • Æsir • Jötunn

Yggdrasil is one of the many worlds connected by Milliways. It does not contain a Bell and is in most ways identical to the Marvel universe. The major difference is that Thor does not regain the right to use Mjolnir before it passes to Darcy.
