This article is about the Alli Kowalski native to [Lumos](#). For characters with similar names, see [Alli](#) or [Alli Kowalski](#).

Alli is the [Alli](#) from the [Lumos](#) universe.

History

Alli is a British pureblood [witch](#) of Jewish Polish descent. She is the only child of a single mother and grew up in a wizarding community north of London. She enrolled at [Hogwarts School of Witchcraft and Wizardy](#) in 1998 and was sorted into Slytherin. She does not get along with most of her housemates, and instead befriended [Miranda Swan](#), [Karen Dwimmer](#), [Emma Mason](#) and [Jenny O'Meara](#). In their third year, the group expanded to include fellow Slytherin [Vivian Sun](#).

Abilities

Alli is a slightly below average example of a third year [witch](#). Her favorite subject is Potions and she is taking Divination as an elective.

Relationship to Template

Alli's most notable difference from her template baseline is that she is an only child, and has no older sister. She has also been relocated to England from Los Angeles, but the geographical attractor is much weaker.
