Anlon is the [Afton](#) from the [Ravel](#) universe.

History

Anlon started dating [Chelasi](#) early on, and was the only one of her friends who knew of her ability to ravel others' emotions.^[1] When Chelasi found the city too overwhelming, they moved to the woods outside [Casasha](#) and built out a group of "friends", raveled by Chelasi into staying.^[2] One day [Sharabel Swanpennon](#) and [Kayam](#) pass by and, upon Chelasi's attempts to ravel them, kill her in self-defense.^[3] After Chelasi's death, Anlon doesn't attempt vengeance, knowing that Chelasi would have wanted him to live; he simply burns her body and remains in the house with Jony.^{[4][5]}

Friends

Chelasi had raveled the following people into living with her with her and Anlon:

- [Adarin Sorelas \(Quilt\)](#) and [Zeviana Sorelas \(Kool-Aid\)](#) were on their way to find work in Casasha when they stopped at the house to rest and were raveled into staying.^[6]
- Jony is a plant raveler. Chelasi was shopping in [Antaurb](#) when she met Jony, who had just broken up with her boyfriend; Jony came to stay with them to cool off and never left.^[7]
- Kesaven is a building raveler. He was leaving Casasha for nowhere in particular, stopped for some of Jony's berries, and never left.^[7]
- A woman named Tima
- Dayree
- Quel
- Netse
