Dianira is the Nadia from the Momentum universe.

History

Dianira is a nomadic sorceress who befriends Kithabel Swan and introduces her to sorcerer culture. In What Might Have Been, it was revealed that she and Kithabel would eventually join the Plague of Utopias once Dianira helped them lift the curse keeping Kithabel unconscious.

Abilities

Dianira's abilities as a sorceress depend on her levels of momentum. She can cause desired effects happen simply by willing them strongly enough. She can fly, create communication devices and perform emergency work, and had expressed the desire to build a floating castle once she had sufficient momentum.
