Elyth is the [Libby](#) from the [Circle](#) universe. She was added to the universe in place of [Lian](#) after Alicorn and Kappa did a reboot and character rearrangement.^[1] She is an ambient mage with a specialty in ink-and-paper magic.^[2] She lives in Discipline with [Stormy](#), [Rook](#), [Sedge](#), [Mercy](#), [Niva](#), and [Serahila](#) because the girls in the dormitories were mocking her for not knowing who her father is.^[3] She is currently learning magic from Rook, as Winding Circle has no other paper mages.^[4]
