“I am ashamed on behalf of the Watcher's Council that none of us in a thousand years of strategizing for Slayers has thought of the obvious strategies this Slayer apparently comes up with in her sleep," **Giles explains.**

Background

Juliet's background is similar to the standard Earth background, except she is originally from Sunnydale. Because of Sunnydale's strong and dangerous supernatural presence she had a strict curfew, but otherwise she was never exposed to the city's dark side until she became the Slayer.
