History

Background

Bella was born on September 13th, 1987 to Charles "Charlie" Swan and Renée Higgenbotham in [Forks, Washington](#). Her parents divorced when she was a baby, whereupon Bella moved to Phoenix, Arizona with her mother. On January 9, 2005, her mother was killed in a car accident and she moved back to Forks to live with her father.^[1]

Forks

In the woods later that afternoon, Bella passes out and turns into a [sphinx](#).^[3]

Powers

Errata

- In [ghost](#) Renée dies in January 2005 and her obituary mentions "her daughter Isabella (16)". Since Bells are born in 1987, Bella should have been 17 at the time.
