Jayce is the younger brother of the sweela prime Kiribel Ardelay. He is most often found at home helping Kiri manage her estates.

Elements

Jayce is elay like his mother, with the birth blessings of hope, love and synthesis. Like many elays, he is considered to be very good at drawing blessings.

Background

Jayce grew up in Swiftford with his parents Renny and Karls Swan and his older twin siblings Kiri and Aleko. When Kiri became the Ardelay prime, Jayce adopted the Ardelay name as well. He would occasionally travel to the Ardelay estates with his sister, but more often stayed home in Swiftford as Karls felt he should not have his schooling disrupted. As they grew up, Jayce learned how to manage the estates on Kiri's behalf.He is the one who does the research locating the missing Lalindar prime in Thiyec. He runs the Ardelay properties while Kiri is retrieving Loel from Thiyec and Ekador Serlast from Malinqua.
