About Permutations

Permutations are a system of 3 (Ivy, Arson, Lucy). Their moiety is blossom (#ffc0cc).

Zero

Ivy self-inserts

Zero

Kestrel (rethaf-ruo)

Magical boy but not in a cute way. Captures angels. Broke, manic, and never learned how to be a person.

Zero (technically-speaking)

A Starlight Revue Zero. Makes an appearance in this thread. Lighting technician, lowkey-runaway, chronically bad at saying no.

Zero

Kyra (blessed-princess)

A princess!zero. Lonely royalty and will make friends with anything. Neoteny, fancy clothes, and ruffles.

AJ

Arson self-inserts

AJ

Ali (blazing-keystrokes)

Exapunks setting Arson.
