i don't know how to play this hand

Lev as The Archivist from the Magnus Archives

Link

Authors

westwind, hearts

Thread Description

- **Status:** on hiatus
- **Warnings:**
  - lev has food issues and body issues
  - slightly unwise use of drugs
  - assorted creepiness
  - nonconsensual mind control like whoa
  - magic has an aesthetic and it's full of bugs and gore and shit
  - is the shit literal or figurative? who knows
  - this horror thread keeps randomly turning into a romantic comedy about nerds with poor social skills
  - season 3 and season 2 finale spoilers
  - not season 1 though

Prerequisites

- none but probably benefits from prior familiarity with the Lev template

Settings

- The Magnus Archives

Trivia

When this thread was being written, westwind listened to TMA concurrently with Lev receiving statements, so their knowledge of the setting/worldbuilding was basically limited to what Lev himself knew.
